

LESS CANCER HIKE
AND BIKE AMERICA

BUSINESS BOOSTER

WHO WE ARE?

Less Cancer is a leading cancer prevention non-profit. Laser-focused on advocacy and education, our organization relies on the generosity of grassroots donors and business partners to power our work. Your support of the Less Cancer Hike and Bike Ride America makes it happen!

WHAT WE DO?

We offer accredited programming to healthcare providers. We work with local, state and federal legislators to protect the public. We provide families with resources to make cancer prevention a lifelong priority. And you can help!
